

Victor Rotolo grounds his Hunterdon County-based law firm in a basic premise—that hard work and detailed preparation yield outstanding results. Recognized in Martindale-Hubbell®'s *The Bar Register of Pre-Eminent Lawyers*, The Rotolo Law Firm stands ready to serve. Whether fighting for a victim of negligence, a businessperson in a highly charged commercial dispute or a spouse in the midst of divorce, pursuing justice on behalf of a client drives Rotolo and his team. With a combined experience pool of more than 75 years, The Rotolo Law Firm strives for successful outcomes and boasts a strong, solid history of success.

STREET SMART: BOOK SMART Rotolo cut his judicial teeth on the rough-and-tumble streets of Elizabeth, where he believed the fight for justice could be won. That belief led to his role first as an Elizabeth police officer, and then ultimately a lawyer. Valedictorian of the Police Academy, he also graduated magna cum laude from American University, where he received the Undergraduate Academic Achievement Award. He obtained a bachelor's degree in justice and later, he received his law degree from Seton Hall Law School.

UNYIELDING STRIVE FOR EXCELLENCE It is Rotolo's true calling to fight for people in the courtroom, where he makes a positive difference in the lives he touches. His hard work, dedication and commitment have paid off. Named to *New Jersey Super Lawyers*® two years in a row, the New Jersey Supreme Court certifies Rotolo as a civil trial attorney. He holds the highest rating (AV) from Martindale-Hubbell, which recognizes his height of professional excellence and his highest levels of skill and integrity. Rotolo has tried and won complex litigation matters and been awarded six-figure settlements on behalf of his clients. He is a member of the Million Dollar Advocates Forum.

TEACHER AND PRACTITIONER Rotolo teaches trial practice to law students and lawyers as an adjunct faculty member in Hofstra University School of Law's Trial Advocacy Program and in The National Institute for Trial Advocacy Program. He serves on the board of the Union County Community College Foundation, which

provides educational opportunities to the underprivileged. He has arbitrated for the American Arbitration Association
